PUBLIC HEARINGS**Elections****Item 7**

ADOPT RESOLUTION 10-84 TO APPROVE THE FORMATION OF THE PROPOSED ELFRIDA DOMESTIC WATER IMPROVEMENT DISTRICT, ESTABLISH THE DISTRICT BOUNDARIES AND APPOINT REYNA DE LA CRUZ, OWEN NULLINER, ANDREW WARN, CHARLES WATERS AND DANIEL ZAMORA AS THE INITIAL DISTRICT GOVERNING BOARD.

Vice-Chairman English made a motion to adopt Resolution 10-84 to approve the formation of the proposed Elfrida Domestic Water Improvement District, establish the district boundaries and appoint Reyna De la Cruz, Owen Nulliner, Andrew Warn, Charles Waters and Daniel Zamora as the initial district governing board. Supervisor Searle seconded the motion.

Ms. Patricia Viverto, Special Districts Coordinator, presented this item using a PowerPoint presentation. Ms. Viverto stated that ARS Title 48 establishes the requirements for establishing a water district. She reviewed the process outlined by statute and the requirements for approval and the timeline/history of filing and verifying signatures. She said ten organizing petitioners submitted 173 petitions with signatures of persons owning real property within the proposed district. One of two requirements must be met for the petitions: a majority of persons owning real property or owners of 51 percent or more of real property within the boundaries of the district—72.2 percent of the real property was verified through the petitions. Also stated in the petition was the necessity for it: to provide a permanent economical and a publicly responsive successor in interest to the current domestic water provider and the public convenience, necessity or welfare will be promoted by the establishment of the district; costs will be reduced; and some additional benefits in the form of availability of grants, etc. for political subdivisions.

Ms. Viverto reviewed the boundaries: perimeter of Thompson Road, Martineau Road, Bell Road and White Water School Road and read aloud the legal description. The district will be governed by a five-member Board (named these), appointed by the Board. After appointment, three directors will serve a four-year term; two will serve a two-year term, with successors to be elected in future general elections.

Ms. Viverto stated the Elections/Special Districts Department is recommending approval of the formation of the Elfrida Domestic Water District.

Chairman Call opened the public hearing.

Mr. Robert David Hansen stated that he owned 80 acres off Gleeson Road, he showed the location on the map, and stated that there are no water lines in that area. He is objecting under ARS 48-90-2 Section D 1 and 2 and is requesting to be excluded. He stated that he ran a water company in Tucson and that Elfrida has not had a rate increase in ten years. If they were to increase the water rates in Elfrida, they could pay for a pump; have had 216 users since 2002. He continued they want to take in an area that is approximately 8.8 square miles. If they want to become a district, it is fine with him, but he requests exclusion.

Mr. Bob J. Ratliff said he has no objection to district, but living out where there are no water lines, he has his own well and does not want to be included.

No one else wished to address the Board and Chairman Call closed the public hearing.

Chairman Call asked if there was any reason that the properties should not be excluded.

Ms. Viverto stated that the boundaries do not have to be contiguous in a water district; that notification letters were sent to all the property owners by the Clerk of the Board office regarding the formation of the water district.

Ms. Howard stated that 18 of 507 notification letters were returned undeliverable.

Mr. Hanson read the language of the statutes and stated that it is poorly written.

Supervisor Searle stated that the two requests for exclusion would not result in non-contiguous boundaries, if excluded. He asked if a water district like this can have a property tax; Ms. Viverto confirmed they could. Supervisor Searle verified that everyone in the district would pay the tax.

Vice-Chairman English was concerned about the notices which were returned undeliverable.

Chairman Call deferred further discussion regarding this item until Mr. Hanson can research the statutes.

Returned to Item 7 after Item 8:

Mr. Hanson informed the Board that there is a procedure in the statute that the County Recorder must search through the records to obtain a better address for the undeliverable addressees and that it is possible for the Board to move forward today to form the district before notifying the people. Once they are notified; the procedure for anyone who then wished to be excluded would be to approach the district governing board with their request. The Board needs to decide if they want to form the district today or after the non-notified property owners are notified of the water district formation.

Vice-Chairman English stated that she is looking at the people who are to be appointed to the district governing board and feels that they will have the best interests of the people in their district and is willing to move that responsibility to them.

Mr. Hanson stated that the original motion should be amended.

Vice-Chairman English amended the motion to Resolution 10-84 to exclude the properties requested to be excluded (parcel numbers 40319002 and 40319003). Supervisor Searle seconded the amended motion. The motion to amend was approved 3-0.

Chairman Call called for the vote on the original motion, as amended, and it carried unanimously.

Highways & Floodplain

Item 8

ADOPT RESOLUTION 10-85 AUTHORIZING THE ABANDONMENT OF A PORTION OF A PUBLIC ALLEYWAY AND ACCEPTANCE OF ROAD DEDICATION WITHIN THE HIGHLAND VISTA SUBDIVISION AS DESCRIBED THEREIN.

Supervisor Searle made a motion to adopt Resolution 10-85 authorizing the abandonment of a portion of a public alleyway and acceptance of road dedication within the Highland Vista Subdivision as described therein. Vice-Chairman English seconded the motion.

Ms. Karen Lamberton, Transportation Planner, presented this item using a PowerPoint presentation. Ms. Lamberton said that the subdivision was established in 1960. She showed the location and plat map with location of both the abandonment and the dedication proposed; site plan for Habitat for Humanity subdivision; photo of proposed abandonment, with utility portion at the south end (not included in the abandonment); and photo of proposed dedication. She stated that there was encroachment on the site and when looking at the proposed abandonment it seemed like a good time to look at dedication. Staff is recommending the abandonment and dedication. She said the applicant's engineer is present if the Board has any questions.

Supervisor Searle asked if the Sulphur Springs Valley Electric Cooperative (SSVEC) had been notified; Ms. Lamberton confirmed they have no objection.

Chairman Call opened the public hearing. No one wished to address the Board and Chairman Call closed the public hearing.

Chairman Call called for the vote and it carried unanimously.

WORK SESSIONS (FUTURE)

Item 9

APPROVE A WORK SESSION REQUEST TO DISCUSS CONTRACTING OUT THE TRUCKING COMPONENT OF THE SOLID WASTE SYSTEM TO A PRIVATE FIRM VERSUS CONTINUING WITH IN-HOUSE TRUCKING.

The Work Session was approved unanimously.

Item 10

APPROVE A WORK SESSION REQUEST TO DISCUSS THE SUGGESTION THAT THE BOARD HOLD SOME MEETINGS IN DIFFERENT PARTS OF COCHISE COUNTY.

The Work Session was approved unanimously.

Item 11

APPROVE A WORK SESSION REQUEST TO DISCUSS WHAT THE PASSAGE OF PROPOSITION 203 (ARIZONA MEDICAL MARIJUANA ACT) MEANS FOR COCHISE COUNTY FROM A LAND-USE PLANNING AND HEALTH REGULATION PERSPECTIVE.

Tomorrow he will be in Winchester Heights as staff support for Supervisor Searle and as a Cochise College Foundation board member to discuss progress of roads in that area. He will be out next Tuesday attending a funeral and will not be able to attend the next regular Board meeting.

INTRODUCTION

On February 25, 2011, Elfrida Domestic Water Users Association ("Elfrida" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for approval to sell and transfer the ownership of the assets from Elfrida to Elfrida Water Improvement District ("District") and to cancel the Certificate of Convenience and Necessity ("CC&N") of Elfrida. If the application for approval to sell and transfer Elfrida's assets and property to the District is approved, the District will assume all of the Company's debt and will continue to provide service to all the Company's customers.

BACKGROUND

Elfrida is an Arizona non-profit corporation providing water service to approximately 228 customers in Bisbee, Arizona. The boundaries of the Company are the perimeter of Thompson Road, Martineau Road, Bell Road and White Water School Road. This area includes the central part of the unincorporated community of Elfrida along State Highway 191. The residents and customers of Elfrida petitioned to form the District. On November 30, 2010, a hearing was held by the Cochise County Board of Supervisors to form the District. The motion to create the District was passed, approved, and adopted.

COMPANY WATER SYSTEM

The Company has two wells, three pressure tanks, two storage tanks and a distribution system serving 228 metered connections. Staff concludes that Elfrida has adequate production and storage capacity to serve the existing customer base and could accommodate growth.

OPERATION AND RATES

COMPLIANCE

The Arizona Department of Environmental Quality ("ADEQ") regulates Elfrida's water system under System I.D. No. 02017. ADEQ has determined that this system is in full compliance with ADEQ requirements and is currently delivering water that meets water quality standards required by Arizona Administrative Code, Title 18, Chapter 4. Arizona Department of Water Resources, ("ADWR") also regulates Elfrida's water system, under Water System I.D. No. 60-20309800000; 91-000038.0000.
